passed on and brought back. Senator Marsh has brought up a good point. Well, it was to strike the Stahmer amendment. No, that motion has been withdrawn, the motion to indefinitely postpone. Well, the motion is we better move 435 back up and bring it back if somebody wants to talk about another amendment to it at this time. What is your pleasure, Senator Nore? Have to advance the bill. It's on select file--

SENATOR NORE: I move we advance LB 435 to--

PRESIDENT: Alright, the motion now is to readvance LB 435. All those in favor of readvancing the bill please say aye. Those opposed say no. It is so ordered, the bill is readvanced, now to E&R for Engrossing. Now, somebody want to make a motion to bring it back for a specific amendment?

SENATOR NORE: I move to return LB 435 to select five--file for a sss--removing the Stahmer amendment.

PRESIDENT: Alright, now the motion is now to return 435 from final E&R for a specific amendment, that be to strike the Stahmer amendment. Senator Chambers.

SENATOR CHAMBERS: Mr. President and Members of the Legislature. This might be a quasi point of order. It's a question. Now Senator Stahmer did offer the amendment, it was adopted. He explained yesterday why he could not be here today and I think his reason was legitimate. Now Senator Nore's bill and he can move it as he, as he wants to do and the body can go along with it, but my question is this; I have a bill relating to school board members by district in Omaha and Senator Syas has already placed a kill motion on it to make certain that the bill cannot be considered unless he is here. Now if Senator Stahmer's motion can be struck in his absence, then I think that I'm not bound to wait until Senator Syas is here for the consideration of his kill motion on my bill so here's the question. Are we going to disregard the fact that the man who had his amendment adopted is absent when we attempt to undo what he had done?

PRESIDENT: Senator Nore, do you care to respond?

SENATOR NORE: Yes, Mr. Chairman and Members. Senator Stahmer and I have agreed that we must remove his amendment to LB 435.

PRESIDENT: Apparently then we have some agreement, Senator Chambers. Does that answer your questions? Alright now, is there any further discussion of bringing 435 back? Senator Goodrich, did you wish to be heard on the issue? The motion is to return 435 to select file for a specific amendment? All those in favor vote aye. Excuse me, Senator Whitney, are you through discussing this bill? Senator Whitney, are you through discussing this bill? The motion is to bring it back. Thank you, sir. Question is, shall the bill be returned then to select file for a specific amendment? All those in favor vote aye. All those opposed vote no. Thank you, Clerk will record.

CLERK: 25 ayes, no nays, to return.

PRESIDENT: Bill is returned now for the specific amendment, that is to strike the Stahmer amendment. Is there any further discussion of that motion? Senator Nore, are you through discussing it then?

SENATOR NORE: Yes, I move that we strike the Stahmer amendment to 435 on select file. That motion takes 25 votes. All those in favor of striking that amendment will vote aye. All those opposed will vote no. Have you all voted? Clerk will record.
